

certain budgetary and planning procedures; and generally providing for health care education and training by the system.

BY adding to

Article 77A - Higher Education

Section 83 through ~~[[89]]~~ 91 to be under the new subtitle "Maryland Statewide Medical Education and Training System"

Annotated Code of Maryland

(1975 Replacement Volume and 1975 Supplement)

#### Preamble

WHEREAS, There is a serious need throughout the State of Maryland for greater numbers of ~~[[practicing]]~~ primary care physicians ~~[[in]]~~ and allied health care professionals; and

WHEREAS, The University of Maryland School of Medicine finds it difficult to satisfy the ever-increasing demand for qualified persons to deliver these health care services; and

WHEREAS, The public and private institutions of higher education and the community hospitals throughout the State of Maryland are ~~[[capable of absorbing additional]]~~ a major educational resource ~~[[students for training]]~~ for training students in ~~[[the]]~~ these health care services; and

~~[[WHEREAS, Building a medical school would require a long delay before increasing the number of graduating physicians, and would cost a great amount; and]]~~

WHEREAS, Multiple ~~[[medical]]~~ health education and training centers will attract students, interns, and residents to the several geographic areas, thereby attracting increased numbers of practicing physicians, encouraging development of health care facilities, providing for the training of additional numbers of allied ~~[[ medical personnel]]~~, health care professionals and increasing capabilities for the existing program of graduate and continuing medical education and health training; therefore,

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That new Sections 83 through ~~[[89]]~~ 91 to be under the new subtitle "Maryland Statewide Medical Education and Training System" be and they are hereby added to Article 77A - Higher Education, of the Annotated Code of Maryland (1975 Replacement Volume and 1975 Supplement) to read as follows:
